

## DEAD OR SICK BAT REPORTING FORM

\*NAME:

ADDRESS:

\*CITY:

STATE/ZIP:

\*PHONE NUMBER: (    ) -

EMAIL ADDRESS:

\*NUMBER OF BATS FOUND:

\*DATE OF OBSERVATION (mm/dd/yy):

\*DESCRIPTION OF SITE FOUND:

ADDITIONAL COMMENTS:

*\*Indicates Necessary Field*

If the bat was found and is suspected of having a disease (rabies, White Nose Syndrome), or is alive, call 302-735-8651 right away for further instructions. Otherwise, please double bag the dead bat and keep frozen until it can be submitted to the Delaware Heritage and Endangered Species Program for processing. Long-dead or highly decayed bats cannot be processed.

*Return forms to:*

Delaware Natural Heritage and Endangered Species Program

Erin Adams

4876 Hay Point Landing Road

Smyrna, DE 19977

*\*please do not mail dead bat!\**
